

## a rewarding experience

In today's economy, family expenditures on youths represent an enormous market. Regardless of market conditions, expenditures for children's entertainment and recreation continue to rise. Parents and family-based organizations are always searching for a terrific way to celebrate significant milestones in children's lives and keeping children healthy and active.

With interactive inflatables, accompanied by additional play equipment and arcade games, Amazing Adventures Playland® offers parents everything they need to host a great party all under one roof; easy planning, party set-up and after party clean up, parents can unwind and enjoy the party too!

This is an opportunity for you as an investor or as an owner-operator to have the independence and rewards of owning your own business. The business structure provides both the long term benefits of self employment with the initial support and training of a larger organization.

Remember, you will be in business for yourself with a proven set up package designed by leading industry experts with years of experience in leading numerous successful facilities. Amazing Adventures® shows a marvelous business opportunity that you don't want to miss out on.
